### Wnt6 Antibody - middle region ASB-ARP46734\_P050

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | Wnt6 Antibody - middle region                                                            |
| Artikelnummer            | ASB-ARP46734_P050                                                                        |
| Hersteller Artikelnummer | ARP46734_P050                                                                            |
| Alternativnummer         | ASB-ARP46734_P050-25UL,ASB-ARP46734_P050-100UL                                           |
| Hersteller               | Aviva                                                                                    |
| Wirt                     | Rabbit                                                                                   |
| Kategorie                | Proteine/Peptide                                                                         |
| Applikation              | WB                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                 |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of mouse Wnt6    |
| Produktbeschreibung      | Wnt6 is a ligand for members of the frizzled family of seven transmembrane receptors.... |
| Klonalität               | Polyclonal                                                                               |
| Konzentration            | 0.5 mg/ml                                                                                |
| Molekulargewicht         | 40 kDa                                                                                   |
| NCBI                     | <a href="#">22420</a>                                                                    |
| UniProt                  | <a href="#">P22727</a>                                                                   |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
