| Wirt                     | Rabbit                                                                                                                                                                                                                     |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                           |
| Applikation              | WB                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Bovine, Canine, Human, Mouse, Porcine, Rat, Zebrafish                                                                                                                                                                      |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human PTDSS1                                                                                                                                |
| Produktbeschreibung      | PTDSS1 is a multi-pass membrane protein. It belongs to the phosphatidyl serine synthase family. PTDSS1 catalyzes a base-exchange reaction in which the polar head group of phosphatidylcholine is replaced by L-serine.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                 |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                  |
| Molekulargewicht         | 55kDa                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">9791</a>                                                                                                                                                                                                       |

|              |                                                                                                   |
