## Product Datasheet

### Setd5 Antibody - C-terminal region ASB-ARP49311\_P050

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | Setd5 Antibody - C-terminal region                                                         |
| Artikelnummer            | ASB-ARP49311_P050                                                                          |
| Hersteller Artikelnummer | ARP49311_P050                                                                              |
| Alternativnummer         | ASB-ARP49311_P050-25UL,ASB-ARP49311_P050-100UL                                             |
| Hersteller               | Aviva                                                                                      |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Proteine/Peptide                                                                           |
| Applikation              | WB                                                                                         |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat                     |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C-terminal region of Mouse Setd5 |
| Produktbeschreibung      | The function of this protein remains unknown....                                           |
| Klonalität               | Polyclonal                                                                                 |
| Konzentration            | 0.5 mg/ml                                                                                  |
| Molekulargewicht         | 157kDa                                                                                     |
| NCBI                     | <a href="#">72895</a>                                                                      |
| UniProt                  | <a href="#">Q5XJV7</a>                                                                     |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
