## Product Datasheet

### **ELOVL7 Antibody - N-terminal region** **ASB-ARP49908\_T100**

|                          |                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------|
| Artikelname              | ELOVL7 Antibody - N-terminal region                                                          |
| Artikelnummer            | ASB-ARP49908_T100                                                                            |
| Hersteller Artikelnummer | ARP49908_T100                                                                                |
| Alternativnummer         | ASB-ARP49908_T100-25UL,ASB-ARP49908_T100-100UL                                               |
| Hersteller               | Aviva                                                                                        |
| Wirt                     | Rabbit                                                                                       |
| Kategorie                | Proteine/Peptide                                                                             |
| Applikation              | WB                                                                                           |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human ELOVL7  |
| Produktbeschreibung      | ELOVL7 could be implicated in synthesis of very long chain fatty acids and sphingolipids.... |
| Klonalität               | Polyclonal                                                                                   |
| Konzentration            | 1.0 mg/ml                                                                                    |
| Molekulargewicht         | 33 kDa                                                                                       |
| NCBI                     | <a href="#">79993</a>                                                                        |
| UniProt                  | <a href="#">A1L3X0</a>                                                                       |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
