| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IP, WB                                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                                                                                                 |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human CBX2                                                                                                                                                                     |
| Produktbeschreibung      | CBX2 Contains 1 A.T hook DNA-binding domain and 1 chromo domain. CBX2 is a component of the Polycomb group (PcG) multiprotein PRC1 complex, a complex required to maintain the transcriptionally repressive state of many genes, including Hox genes, thro... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 56kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">84733</a>                                                                                                                                                                                                                                         |

|              |                                                                                                   |
