| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Equine, Goat, Guinea pig, Human, Mouse, Rabbit, Rat, Sheep                                                                                                                                                                                    |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human FTH1                                                                                                                                                                         |
| Produktbeschreibung      | FTH1 is the heavy subunit of ferritin, the major intracellular iron storage protein in prokaryotes and eukaryotes. It is composed of 24 subunits of the heavy and light ferritin chains. Variation in ferritin subunit composition may affect the rates of... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 21 kDa                                                                                                                                                                                                                                                        |
