| Hersteller               | Aviva                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                      |
| Applikation              | WB                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                 |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C-terminal region of human SLC7A10                                                                                                                          |
| Produktbeschreibung      | SLC7A10, in association with 4F2HC (SLC3A2, MIM 158070), mediates high-affinity transport of D-serine and several other neutral amino acids (Nakauchi et al., 2000 [PubMed 10863037]).[supplied by OMIM, Mar 2008]... |
| Klonalität               | Polyclonal                                                                                                                                                                                                            |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                             |
| Molekulargewicht         | 40kDa                                                                                                                                                                                                                 |
| NCBI                     | <a href="#">56301</a>                                                                                                                                                                                                 |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">Q9NS82</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
