| Hersteller               | ELK Biotechnology                                                                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human MTG16. AA range:261-310                                                                                                                                                             |
| Produktbeschreibung      | This gene encodes a member of the myeloid translocation gene family which interact with DNA-bound transcription factors and recruit a range of corepressors to facilitate transcriptional repression. The t(16,21)(q24,q22) translocation is one of the le... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| NCBI                     | <a href="#">863</a>                                                                                                                                                                                                                                           |
| UniProt                  | <a href="#">075081</a>                                                                                                                                                                                                                                        |

Application Verdünnung

Immunohistochemistry: 1/100 - 1/300. ELISA: 1/20000. Not yet tested in other applications.
