Human Tyrosine-protein kinase Lyn (LYN) ELISA Kit ASC-KTE61764

Artikelname	Human Tyrosine-protein kinase Lyn (LYN) ELISA Kit
Artikelnummer	ASC-KTE61764
Hersteller Artikelnummer	KTE61764
Alternativnummer	ASC-KTE61764-48, ASC-KTE61764-96
Hersteller	Abbkine Scientific
Kategorie	Kits/Assays
Applikation	ELISA
Spezies Reaktivität	Human
Produktbeschreibung	This Human Tyrosine-protein kinase Lyn (LYN) ELISA Kit employs a two-site sandwich ELISA to quantitate LYN....
Detektionsbereich	Please inquire
Sensitivitaet	Please inquire
Tag	LYN
NCBI	4067
UniProt	P07948
Proben	Cell culture supernatantsSerumPlasmaOther biological fluids

Anwendungsbeschreibung	This Human Tyrosine-protein kinase Lyn (LYN) ELISA Kit employs a two-site sandwich ELISA to quantitate LYN in samples. An antibody specific for LYN has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and anyLYN present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for LYN is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of LYN bound in the initial step. The color development is stopped and the intensity of the color is measured.
