| Artikelname              | Cleaved-NOTCH1 (V1754) Polyclonal Antibody, Unconjugated, Rabbit                                                    |
| Artikelnummer            | RDD-RD230054A                                                                                                       |
| Hersteller Artikelnummer | RD230054A                                                                                                           |
| Alternativnummer         | RDD-RD230054A-20,RDD-RD230054A-60,RDD-RD230054A-120,RDD-RD230054A-200                                               |
| Hersteller               | reddot Biotech                                                                                                      |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | ELISA, IF, IHC-P, WB                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                   |
| Immunogen                | Synthesized peptide derived from the Internal region of human Notch 1                                               |
| Konjugation              | Unconjugated                                                                                                        |
| Produktbeschreibung      | This is a Cleaved-NOTCH1 (V1754) Polyclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Klonalität               | Polyclonal                                                                                                          |
| Konzentration            | 1 mg/mL                                                                                                             |
| Molekulargewicht         | Observed MW: 110 kDa. Observed MW: 110 kDa                                                                          |

|        |                                                                              |
|--------|------------------------------------------------------------------------------|
| Puffer | PBS with 0.02% sodium azide, 0.5% protective protein and 50% glycerol, pH7.4 |
|--------|------------------------------------------------------------------------------|
