| Hersteller               | reddot Biotech                                                                                                                                                                                                                                                |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Mouse Peptidoglycan Recognition Protein 1 (PGLYRP1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 5.9pg/mL                                                                                                                                                                                                                                                      |
| Proben                   | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                                 |
| Target-Kategorie         | Mouse Peptidoglycan Recognition Protein 1 (PGLYRP1)                                                                                                                                                                                                           |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
