## Product Datasheet

### **Progesterone Receptor(Phospho-Ser190) Antibody, Unconjugated, Rabbit, Polyclonal RDD-RDSA62077**

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Progesterone Receptor(Phospho-Ser190) Antibody, Unconjugated, Rabbit, Polyclonal                                                         |
| Artikelnummer            | RDD-RDSA62077                                                                                                                            |
| Hersteller Artikelnummer | RDSA62077                                                                                                                                |
| Alternativnummer         | RDD-RDSA62077-100                                                                                                                        |
| Hersteller               | reddot Biotech                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | IF, IHC, WB                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                    |
| Immunogen                | Peptide sequence around phosphorylation site of serine 190 (G-L-S(p)-P-A) derived from Human Progesterone Receptor.                      |
| Konjugation              | Unconjugated                                                                                                                             |
| Produktbeschreibung      | This is a Progesterone Receptor(Phospho-Ser190) Phospho-Specific Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | 1.0 mg/mL                                                                                                                                |

|        |                                                                                                                        |
|--------|------------------------------------------------------------------------------------------------------------------------|
| Puffer | Phosphate buffered saline (without $Mg^{2+}$ and $Ca^{2+}$ ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
|--------|------------------------------------------------------------------------------------------------------------------------|
