## Product Datasheet

### Human IL-8, Clone: [PS00-83], Unconjugated, Rabbit, Monoclonal HBO-HA722098

|                          |                                                                |
|--------------------------|----------------------------------------------------------------|
| Artikelname              | Human IL-8, Clone: [PS00-83], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA722098                                                   |
| Hersteller Artikelnummer | HA722098                                                       |
| Alternativnummer         | HBO-HA722098                                                   |
| Hersteller               | HUABIO                                                         |
| Wirt                     | Rabbit                                                         |
| Kategorie                | Antikörper                                                     |
| Applikation              | ELISA                                                          |
| Spezies Reaktivität      | Human                                                          |
| Immunogen                | Recombinant protein within Human IL-8 aa 23-99.                |
| Konjugation              | Unconjugated                                                   |
| Klonalität               | Monoclonal                                                     |
| Konzentration            | 1 mg/mL.                                                       |
| Klon-Bezeichnung         | [PS00-83]                                                      |
| UniProt                  | <a href="#">P10145</a>                                         |
| Puffer                   | PBS (pH7.4).                                                   |
| Reinheit                 | Protein A affinity purified.                                   |
| Formulierung             | Liquid                                                         |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PS01-22] to Human IL-8 antibody (Detector) (HA722099) and recombinant Human IL-8 protein as the standard (HA210642). The reference range value is |
