## Product Datasheet

### **cIAP1, Clone: [PSH06-71], Unconjugated, Rabbit, Monoclonal HBO-HA723282**

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Artikelname              | cIAP1, Clone: [PSH06-71], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723282                                               |
| Hersteller Artikelnummer | HA723282                                                   |
| Alternativnummer         | HBO-HA723282                                               |
| Hersteller               | HUABIO                                                     |
| Wirt                     | Rabbit                                                     |
| Kategorie                | Antikörper                                                 |
| Applikation              | ELISA                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                          |
| Immunogen                | Recombinant protein within human cIAP1 aa 201-618.         |
| Konjugation              | Unconjugated                                               |
| Klonalität               | Monoclonal                                                 |
| Konzentration            | 1 mg/mL.                                                   |
| Klon-Bezeichnung         | [PSH06-71]                                                 |
| UniProt                  | <a href="#">Q13490</a>                                     |
| Puffer                   | PBS (pH7.4).                                               |
| Reinheit                 | Protein A affinity purified.                               |
| Formulierung             | Liquid                                                     |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH06-72] to Human cIAP1 antibody (Capture) (HA723280) or Rabbit monoclonal [PSH02-10] to Human cIAP1 antibody (Capture) (HA723281) and Recombina |
