| Artikelname              | Human Alpha-Synuclein, Clone: [JB42-33], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723467                                                              |
| Hersteller Artikelnummer | HA723467                                                                  |
| Alternativnummer         | HBO-HA723467                                                              |
| Hersteller               | HUABIO                                                                    |
| Wirt                     | Rabbit                                                                    |
| Kategorie                | Antikörper                                                                |
| Applikation              | ELISA                                                                     |
| Spezies Reaktivität      | Human                                                                     |
| Immunogen                | Recombinant protein within Human Alpha-Synuclein aa 1-140.                |
| Konjugation              | Unconjugated                                                              |
| Klonalität               | Monoclonal                                                                |
| Konzentration            | 1 mg/mL.                                                                  |
| Klon-Bezeichnung         | [JB42-33]                                                                 |
| UniProt                  | <a href="#">P37840</a>                                                    |
| Puffer                   | PBS (pH7.4).                                                              |
| Reinheit                 | Protein A affinity purified.                                              |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-56] to Human Alpha-Synuclein antibody (Detector) (HA723468) and Recombinant Human Alpha-Synuclein protein (HA211150) as the standard. The r |
