## Product Datasheet

### Human MERTK, Clone: [PSH12-70], Unconjugated, Rabbit, Monoclonal HBO-HA723480

|                          |                                                                  |
|--------------------------|------------------------------------------------------------------|
| Artikelname              | Human MERTK, Clone: [PSH12-70], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723480                                                     |
| Hersteller Artikelnummer | HA723480                                                         |
| Alternativnummer         | HBO-HA723480                                                     |
| Hersteller               | HUABIO                                                           |
| Wirt                     | Rabbit                                                           |
| Kategorie                | Antikörper                                                       |
| Applikation              | ELISA                                                            |
| Spezies Reaktivität      | Human                                                            |
| Immunogen                | Recombinant protein within Human MERTK aa 21-505 (HA211172).     |
| Konjugation              | Unconjugated                                                     |
| Klonalität               | Monoclonal                                                       |
| Konzentration            | 1 mg/mL.                                                         |
| Klon-Bezeichnung         | [PSH12-70]                                                       |
| UniProt                  | <a href="#">Q12866</a>                                           |
| Puffer                   | PBS (pH7.4).                                                     |
| Reinheit                 | Protein A affinity purified.                                     |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                         |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-69] to Human MERTK antibody (Capture) (HA723479) and recombinant Human MERTK protein (HA211172) as the standard. The reference range value |
