## Product Datasheet

### Human TSLP, Clone: [PSH12-90], Unconjugated, Rabbit, Monoclonal HBO-HA723491

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Artikelname              | Human TSLP, Clone: [PSH12-90], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723491                                                    |
| Hersteller Artikelnummer | HA723491                                                        |
| Alternativnummer         | HBO-HA723491                                                    |
| Hersteller               | HUABIO                                                          |
| Wirt                     | Rabbit                                                          |
| Kategorie                | Antikörper                                                      |
| Applikation              | ELISA                                                           |
| Spezies Reaktivität      | Human                                                           |
| Immunogen                | Recombinant protein within Human TSLP aa 29-159 (HA210952).     |
| Konjugation              | Unconjugated                                                    |
| Klonalität               | Monoclonal                                                      |
| Konzentration            | 1 mg/mL.                                                        |
| Klon-Bezeichnung         | [PSH12-90]                                                      |
| UniProt                  | <a href="#">Q969D9</a>                                          |
| Puffer                   | PBS (pH7.4).                                                    |
| Reinheit                 | Protein A affinity purified.                                    |
| Formulierung             | Liquid                                                          |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-89] to Human TSLP antibody (Capture) (HA723490) and recombinant Human TSLP protein (HA210952) as the standard. The reference range value is |
