| Artikelname              | Human Lipoprotein A, Clone: [PSH13-83], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723573                                                             |
| Hersteller Artikelnummer | HA723573                                                                 |
| Alternativnummer         | HBO-HA723573                                                             |
| Hersteller               | HUABIO                                                                   |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Antikörper                                                               |
| Applikation              | ELISA                                                                    |
| Spezies Reaktivität      | Human                                                                    |
| Immunogen                | Recombinant protein within Human LPA aa 20-1,033 (HA210979).             |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Monoclonal                                                               |
| Konzentration            | 1 mg/mL.                                                                 |
| Klon-Bezeichnung         | [PSH13-83]                                                               |
| UniProt                  | <a href="#">P08519</a>                                                   |
| Puffer                   | PBS (pH7.4).                                                             |
| Reinheit                 | Protein A affinity purified.                                             |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH13-81] to Human Lipoprotein A antibody (Capture) (HA723570) and recombinant Human Lipoprotein A protein (HA210979) as the standard. The refere |
