## Product Datasheet

### Mouse Interferon alpha 1, Clone: [PSH14-76], Unconjugated, Rabbit, Monoclonal HBO-HA723670

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | Mouse Interferon alpha 1, Clone: [PSH14-76], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA723670                                                                  |
| Hersteller Artikelnummer | HA723670                                                                      |
| Alternativnummer         | HBO-HA723670                                                                  |
| Hersteller               | HUABIO                                                                        |
| Wirt                     | Rabbit                                                                        |
| Kategorie                | Antikörper                                                                    |
| Applikation              | ELISA                                                                         |
| Spezies Reaktivität      | Mouse                                                                         |
| Immunogen                | Recombinant protein within mouse Interferon alpha-1 aa 24-189 (HA210987).     |
| Konjugation              | Unconjugated                                                                  |
| Klonalität               | Monoclonal                                                                    |
| Konzentration            | 1 mg/mL.                                                                      |
| Klon-Bezeichnung         | [PSH14-76]                                                                    |
| UniProt                  | <a href="#">P01572</a>                                                        |
| Puffer                   | PBS (pH7.4).                                                                  |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH14-75] to Mouse Interferon alpha 1 antibody (Capture) (HA723669) or Rabbit monoclonal [PSH14-77] to Mouse Interferon alpha 1 antibody (Capture |
