| Artikelname              | Human CXCL10 / IP-10, Clone: [PSH12-37], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA725008                                                              |
| Hersteller Artikelnummer | HA725008                                                                  |
| Alternativnummer         | HBO-HA725008                                                              |
| Hersteller               | HUABIO                                                                    |
| Wirt                     | Rabbit                                                                    |
| Kategorie                | Antikörper                                                                |
| Applikation              | ELISA                                                                     |
| Spezies Reaktivität      | Human                                                                     |
| Immunogen                | Recombinant protein within Human CXCL10 aa 22-98 (HA210896).              |
| Konjugation              | Unconjugated                                                              |
| Klonalität               | Monoclonal                                                                |
| Konzentration            | 1 mg/mL.                                                                  |
| Klon-Bezeichnung         | [PSH12-37]                                                                |
| UniProt                  | <a href="#">P02778</a>                                                    |
| Puffer                   | PBS (pH7.4).                                                              |
| Reinheit                 | Protein A affinity purified.                                              |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-36] to Human CXCL10 / IP-10 antibody (Capture) (HA725007) and Recombinant Human CXCL10 / IP-10 protein (HA210896) as the standard. The refe |
