## Product Datasheet

### Human MCP4/CCL13, Clone: [PSH15-70], Unconjugated, Rabbit, Monoclonal HBO-HA725200

|                          |                                                                       |
|--------------------------|-----------------------------------------------------------------------|
| Artikelname              | Human MCP4/CCL13, Clone: [PSH15-70], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA725200                                                          |
| Hersteller Artikelnummer | HA725200                                                              |
| Alternativnummer         | HBO-HA725200                                                          |
| Hersteller               | HUABIO                                                                |
| Wirt                     | Rabbit                                                                |
| Kategorie                | Antikörper                                                            |
| Applikation              | ELISA                                                                 |
| Spezies Reaktivität      | Human                                                                 |
| Immunogen                | Recombinant protein within Human MCP4/CCL13 aa 17-98 (HA211153).      |
| Konjugation              | Unconjugated                                                          |
| Klonalität               | Monoclonal                                                            |
| Konzentration            | 1 mg/mL.                                                              |
| Klon-Bezeichnung         | [PSH15-70]                                                            |
| UniProt                  | <a href="#">Q99616</a>                                                |
| Puffer                   | PBS (pH7.4).                                                          |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH15-69] to Human MCP4/CCL13 antibody (Capture) (HA725199) and Recombinant Human MCP4/CCL13 protein (HA211153) as the standard. The reference ra |
