## Product Datasheet

### Human S100A12, Clone: [PSH17-68], HRP, Rabbit, Monoclonal HBO-HA725216H

|                          |                                                              |
|--------------------------|--------------------------------------------------------------|
| Artikelname              | Human S100A12, Clone: [PSH17-68], HRP, Rabbit, Monoclonal    |
| Artikelnummer            | HBO-HA725216H                                                |
| Hersteller Artikelnummer | HA725216H                                                    |
| Alternativnummer         | HBO-HA725216H                                                |
| Hersteller               | HUABIO                                                       |
| Wirt                     | Rabbit                                                       |
| Kategorie                | Antikörper                                                   |
| Applikation              | ELISA                                                        |
| Spezies Reaktivität      | Human                                                        |
| Immunogen                | Recombinant protein within Human S100A12 aa 1-92 (HA211137). |
| Konjugation              | HRP                                                          |
| Klonalität               | Monoclonal                                                   |
| Konzentration            | 1 mg/mL.                                                     |
| Klon-Bezeichnung         | [PSH17-68]                                                   |
| UniProt                  | <a href="#">P80511</a>                                       |
| Puffer                   | PBS (pH7.4), 0.1% BSA, 40% Glycerol.                         |
| Reinheit                 | Protein A affinity purified.                                 |
| Formulierung             | Liquid                                                       |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-67] to Human S100A12 antibody (Capture) (HA725215) and Recombinant Human S100A12 protein (HA211137) as the standard. The reference range va |
