## Product Datasheet

### Human Acetylcholinesterase, Clone: [PSH17-02], Unconjugated, Rabbit, Monoclonal HBO-HA725223

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| Artikelname              | Human Acetylcholinesterase, Clone: [PSH17-02], Unconjugated, Rabbit, Monoclonal |
| Artikelnummer            | HBO-HA725223                                                                    |
| Hersteller Artikelnummer | HA725223                                                                        |
| Alternativnummer         | HBO-HA725223                                                                    |
| Hersteller               | HUABIO                                                                          |
| Wirt                     | Rabbit                                                                          |
| Kategorie                | Antikörper                                                                      |
| Applikation              | ELISA                                                                           |
| Spezies Reaktivität      | Human                                                                           |
| Immunogen                | Recombinant protein within Human Acetylcholinesterase aa 32-614 (HA211178).     |
| Konjugation              | Unconjugated                                                                    |
| Klonalität               | Monoclonal                                                                      |
| Konzentration            | 1 mg/mL.                                                                        |
| Klon-Bezeichnung         | [PSH17-02]                                                                      |
| UniProt                  | <a href="#">P22303</a>                                                          |
| Puffer                   | PBS (pH7.4).                                                                    |

|                        |                                                                                                                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Formulierung           | Liquid                                                                                                                                                                                                                                                          |
| Application Verdünnung | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-03] to Human Acetylcholinesterase antibody (Detector) (HA725224) and Recombinant Human Acetylcholinesterase protein (HA211178) as the stand |
