| Hersteller               | AcroBiosystems                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                        |
| Spezies Reaktivität      | Mouse                                                                                                                                                                             |
| Konjugation              | PE                                                                                                                                                                                |
| Produktbeschreibung      | Monoclonal AntiHuman CD11b Antibody, Mouse IgG1 (AS673) is a mouse monoclonal antibody, which provides higher batch consistency and long term security of supply. - Antikörper... |
| Tag                      | Mouse IgG1   Mouse Kappa                                                                                                                                                          |
| Puffer                   | PBS (pH 7.4) containing 0.03% ProClin 300 and 0.2% BSA                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                                                            |
| Target-Kategorie         | CD11b                                                                                                                                                                             |
| Anwendungsbeschreibung   | Flow Cytometry (Evaluation of the expression of CD11b on Human cells).                                                                                                            |
