| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Recombinant protein comprising amino acids aa 161-201 and 343-396 (extracellular and cytoplasmic domains) of mouse Teneurin-3 (Tenm3, accession number Q9WTS6) connected by a Gly8 linker, produced recombinantly in E.Coli.                                  |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Our chicken Anti-Teneurin-3 recombinant monoclonal antibody is a chimeric antibody derived from NeuroMab clone N497/10. It detects human, mouse, and rat Teneurin-3, and is purified by affinity chromatography. It is great for use in ELISA, ICC, IHC, W... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                                   |

|                        |                                                        |
|------------------------|--------------------------------------------------------|
| Konzentration          | 1 mg/mL                                                |
| Klon-Bezeichnung       | [N497/10]                                              |
| Molekulargewicht       | 303 kDa                                                |
| UniProt                | <a href="#">Q9WTS6</a>                                 |
| Target-Kategorie       | Teneurin-3                                             |
| Antibody Type          | Primary Antibody                                       |
| Application Verdünnung | Dilution Range: WB: 1:1000. Dilution Range: IHC: 1:100 |
| Anwendungsbeschreibung | Format: Purified by affinity chromatography            |
