## Product Datasheet

### **MPV17, Recombinant, Human, aa1-176, His-SUMO-Tag (Protein Mpv17) USB-374256**

|                          |                                                                                                                                                                                                                                                               |

| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Produktbeschreibung      | Involved in mitochondria homeostasis. May be involved in the metabolism of reactive oxygen species and control of oxidative phosphorylation and mitochondrial DNA (mtDNA) maintenance. Source: Recombinant protein corresponding to aa1-176 from human MPV... |
| Molekulargewicht         | 35.7                                                                                                                                                                                                                                                          |
| UniProt                  | <a href="#">P39210</a>                                                                                                                                                                                                                                        |
| Reinheit                 | 90% (SDS-PAGE)                                                                                                                                                                                                                                                |
| Formulierung             | Supplied as a lyophilized powder from 20mM Tris-HCl, 0.5M sodium chloride, pH 8.0, 6% trehalose. Reconstitute with sterile ddH2O to a concentration of 0.1-1mg/ml.                                                                                            |
