| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Produktbeschreibung      | Recombinant protein corresponding to human Protein Kinase Cz, expressed in a baculoviral insect expression system. Enzyme activity: Not enzymatically active. Applications: Suitable for use as a standard for Western blots. Other applications not teste... |
| Formulierung             | Suspended in SDS/mercaptoethanol sample buffer with a bromphenol blue dye marker.                                                                                                                                                                             |
