| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | Recombinant human tPA.                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Tissue-type plasminogen activator (tPA) circulating in plasma exists in free forms as well as in tPA-inhibitor complexes. The underlying biochemical mechanism governing coagulation and fibrinolysis involves a controlled cascade of proteolytic reactio... |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with Biotin.                                                                                                                                               |
