## Product Datasheet

### **Tumor Necrosis Factor Receptor, p60 (TNFR) (MaxLight 650), IgG2a, Clone: [3G297], Mouse, Monoclonal USB-T9161-04-ML650**

|                          |                                                                                                                                                                                                                                                               |

| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Immunogen                | Recombinant protein corresponding to human sTNF-r.                                                                                                                                                                                                            |
| Produktbeschreibung      | MaxLight(TM) 650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Co... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [3G297]                                                                                                                                                                                                                                                       |
| Isotyp                   | IgG2a                                                                                                                                                                                                                                                         |
| Reinheit                 | Purified by affinity chromatography.                                                                                                                                                                                                                          |

|              |                                                                                            |
|--------------|--------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservatives added. Labeled with MaxLight(TM)650. |
