## Product Datasheet

### **UVRAG (UV Radiation Resistance-associated Gene Protein, p63, DHTX, VPS38), Rabbit USB-U8975**

|                          |                                                                                                                                                                                                                                                               |

| Artikelname              | UVRAG (UV Radiation Resistance-associated Gene Protein, p63, DHTX, VPS38), Rabbit                                                                                                                                                                             |
| Artikelnummer            | USB-U8975                                                                                                                                                                                                                                                     |
| Hersteller Artikelnummer | U8975                                                                                                                                                                                                                                                         |
| Alternativnummer         | USB-U8975-100                                                                                                                                                                                                                                                 |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to aa375-425 of human UVRAG.                                                                                                                                                                                                  |
| Produktbeschreibung      | UVRAG is predicted to contain a coiled-coil structure and is likely to be metabolically unstable based on the occurrence of a strong PEST domain. It interacts with Beclin 1, leading to activation of autophagy and thereof inhibition of tumorigenicity ... |
| NCBI                     | <a href="#">003360</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, 0.05% BSA, 0.05% sodium azide.                                                                                                                                                                                                   |
