| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC                                                                                                                                                                                                                                                    |
| Immunogen                | Synthetic peptide selected from the N-terminal region of human PRKWNK3 (KLH).                                                                                                                                                                                 |
| Produktbeschreibung      | Members of the with no lysine (WNK) kinase family, such as WNK3, are serine-threonine protein kinases that lack the almost invariant catalytic lysine in subdomain II, which is important for binding ATP in the catalytic site. Instead, these kinases ha... |
| UniProt                  | <a href="#">Q9BYP7</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, 0.09% sodium azide.                                                                                                                                                                                                              |
