## Product Datasheet

### **SKP2 recombinant monoclonal antibody, clone 3C11, Clone: [3C11], Monoclonal ABN-RAB08315**

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | SKP2 recombinant monoclonal antibody, clone 3C11, Clone: [3C11], Monoclonal                      |
| Artikelnummer            | ABN-RAB08315                                                                                     |
| Hersteller Artikelnummer | RAB08315                                                                                         |
| Alternativnummer         | ABN-RAB08315-50                                                                                  |
| Hersteller               | Abnova                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | ELISA, FC, IF                                                                                    |
| Spezies Reaktivität      | Human                                                                                            |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human SKP2. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human SKP2....                             |
| Klonalität               | Monoclonal                                                                                       |
| Klon-Bezeichnung         | [3C11]                                                                                           |
| UniProt                  | 6502                                                                                             |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 50% glycerol and 0.02% sodium azide)                                 |
| Formulierung             | Liquid                                                                                           |

|                        |                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | SKP2                                                                                                                             |
| Application Verdünnung | ELISAFlow Cytometry (1:20-1:200)Immunofluorescence(1:20-1:200)The optimal working dilution should be determined by the end user. |
