## Product Datasheet

### **ALDOA recombinant monoclonal antibody, clone 7D8, Clone: [7D8], Monoclonal ABN-RAB08348**

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Artikelname              | ALDOA recombinant monoclonal antibody, clone 7D8, Clone: [7D8], Monoclonal                        |
| Artikelnummer            | ABN-RAB08348                                                                                      |
| Hersteller Artikelnummer | RAB08348                                                                                          |
| Alternativnummer         | ABN-RAB08348-50                                                                                   |
| Hersteller               | Abnova                                                                                            |
| Kategorie                | Antikörper                                                                                        |
| Applikation              | ELISA, IF, IHC, WB                                                                                |
| Spezies Reaktivität      | Human                                                                                             |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human ALDOA. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human, mouse and rat ALDOA....              |
| Klonalität               | Monoclonal                                                                                        |
| Klon-Bezeichnung         | [7D8]                                                                                             |
| UniProt                  | 226                                                                                               |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 50% glycerol and 0.02% sodium azide)                                  |
| Formulierung             | Liquid                                                                                            |

|                        |                                                                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | ALDOA                                                                                                                                                             |
| Application Verdünnung | ELISAImmunohistochemistry (1:50-1:200)Immunofluorescence(1:20-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
