## Product Datasheet

### **MAPK14 recombinant monoclonal antibody, clone 2C11, Clone: [2C11], Monoclonal ABN-RAB08388**

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| Artikelname              | MAPK14 recombinant monoclonal antibody, clone 2C11, Clone: [2C11], Monoclonal          |
| Artikelnummer            | ABN-RAB08388                                                                           |
| Hersteller Artikelnummer | RAB08388                                                                               |
| Alternativnummer         | ABN-RAB08388-50                                                                        |
| Hersteller               | Abnova                                                                                 |
| Kategorie                | Antikörper                                                                             |
| Applikation              | ELISA, IF, IHC-P, WB                                                                   |
| Spezies Reaktivität      | Human                                                                                  |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human MAPK14. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human MAPK14....                 |
| Klonalität               | Monoclonal                                                                             |
| Klon-Bezeichnung         | [2C11]                                                                                 |
| UniProt                  | 1432                                                                                   |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                       |
| Formulierung             | Liquid                                                                                 |

|                        |                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | MAPK14                                                                                                                                                             |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
