## Product Datasheet

### **CHEK1 recombinant monoclonal antibody, clone 2F2, Clone: [2F2], Monoclonal ABN-RAB08391**

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | CHEK1 recombinant monoclonal antibody, clone 2F2, Clone: [2F2], Monoclonal            |
| Artikelnummer            | ABN-RAB08391                                                                          |
| Hersteller Artikelnummer | RAB08391                                                                              |
| Alternativnummer         | ABN-RAB08391-50                                                                       |
| Hersteller               | Abnova                                                                                |
| Kategorie                | Antikörper                                                                            |
| Applikation              | ELISA, IF, IHC-P, WB                                                                  |
| Spezies Reaktivität      | Human                                                                                 |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human CHEK1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human CHEK1....                 |
| Klonalität               | Monoclonal                                                                            |
| Klon-Bezeichnung         | [2F2]                                                                                 |
| UniProt                  | 1111                                                                                  |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                      |
| Formulierung             | Liquid                                                                                |

|                        |                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | CHEK1                                                                                                                                                              |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
