## Product Datasheet

### **CD44 recombinant monoclonal antibody, clone CD44v9/2344R, Clone: [CD44v9/2344R], Monoclonal ABN-RAB08772**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | CD44 recombinant monoclonal antibody, clone CD44v9/2344R, Clone: [CD44v9/2344R], Monoclonal |
| Artikelnummer            | ABN-RAB08772                                                                                |
| Hersteller Artikelnummer | RAB08772                                                                                    |
| Alternativnummer         | ABN-RAB08772-20                                                                             |
| Hersteller               | Abnova                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | IHC-P                                                                                       |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | Recombinant protein corresponding to v9 domain of human CD44.                               |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against partial human CD44....                |
| Klonalität               | Monoclonal                                                                                  |
| Klon-Bezeichnung         | [CD44v9/2344R]                                                                              |
| UniProt                  | 960                                                                                         |
| Puffer                   | In 10 mM PBS (0.05% BSA and 0.05% azide)                                                    |
| Formulierung             | Liquid                                                                                      |
| Target-Kategorie         | CD44                                                                                        |

|                        |                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1-2 ug/mL)The optimal working dilution should be determined by the end user. |
