## Product Datasheet

### **S100B recombinant monoclonal antibody, clone S100B/1706R, Clone: [S100B/1706R], Monoclonal ABN-RAB08813**

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Artikelname              | S100B recombinant monoclonal antibody, clone S100B/1706R, Clone: [S100B/1706R], Monoclonal        |
| Artikelnummer            | ABN-RAB08813                                                                                      |
| Hersteller Artikelnummer | RAB08813                                                                                          |
| Alternativnummer         | ABN-RAB08813-20                                                                                   |
| Hersteller               | Abnova                                                                                            |
| Kategorie                | Antikörper                                                                                        |
| Applikation              | IHC-P, WB                                                                                         |
| Spezies Reaktivität      | Human                                                                                             |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human S100B. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human S100B....                             |
| Klonalität               | Monoclonal                                                                                        |
| Klon-Bezeichnung         | [S100B/1706R]                                                                                     |
| UniProt                  | 6285                                                                                              |
| Puffer                   | In 10 mM PBS (0.05% BSA, 0.05% sodium azide)                                                      |
| Formulierung             | Liquid                                                                                            |

|                        |                                                                                                                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | S100B                                                                                                                                                                                                                                |
| Application Verdünnung | Flow Cytometry (0.5-1 ug/106 cells)Immunofluorescence (1-2 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.25-0.5 ug/mL)Western Blotting (0.5-1 ug/mL)The optimal working dilution should be determine |
