## Product Datasheet

### **IGHG4 recombinant monoclonal antibody, clone rIGHG4/1345, IgG1, Clone: [rIGHG4/1345], Monoclonal ABN-RAB08857**

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | IGHG4 recombinant monoclonal antibody, clone rIGHG4/1345, IgG1, Clone: [rIGHG4/1345], Monoclonal |
| Artikelnummer            | ABN-RAB08857                                                                                     |
| Hersteller Artikelnummer | RAB08857                                                                                         |
| Alternativnummer         | ABN-RAB08857-20                                                                                  |
| Hersteller               | Abnova                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | IHC-P                                                                                            |
| Spezies Reaktivität      | Human                                                                                            |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to human IGHG4.            |
| Produktbeschreibung      | Mouse recombinant monoclonal antibody raised against recombinant human IGHG4....                 |
| Klonalität               | Monoclonal                                                                                       |
| Klon-Bezeichnung         | [rIGHG4/1345]                                                                                    |
| Isotyp                   | IgG1                                                                                             |
| UniProt                  | 3503                                                                                             |
| Puffer                   | In 10 mM PBS (0.05% BSA, 0.05% sodium azide)                                                     |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                |
| Target-Kategorie       | IGHG4                                                                                                                 |
| Application Verdünnung | Immunohistochemistry (Formalin-fixed) (0.5-1 ug/mL)The optimal working dilution should be determined by the end user. |
