## Product Datasheet

### **MMP3 recombinant monoclonal antibody, clone MMP3/1994R, Clone: [MMP3/1994R], Monoclonal ABN-RAB08898**

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Artikelname              | MMP3 recombinant monoclonal antibody, clone MMP3/1994R, Clone: [MMP3/1994R], Monoclonal |
| Artikelnummer            | ABN-RAB08898                                                                            |
| Hersteller Artikelnummer | RAB08898                                                                                |
| Alternativnummer         | ABN-RAB08898-20                                                                         |
| Hersteller               | Abnova                                                                                  |
| Kategorie                | Antikörper                                                                              |
| Applikation              | FC, IF, SDS-PAGE                                                                        |
| Spezies Reaktivität      | Human                                                                                   |
| Immunogen                | Recombinant protein corresponding to amino acids 317-327 of human MMP3.                 |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against partial human MMP3....            |
| Klonalität               | Monoclonal                                                                              |
| Klon-Bezeichnung         | [MMP3/1994R]                                                                            |
| UniProt                  | 4314                                                                                    |
| Puffer                   | In 10 mM PBS (0.05% BSA and 0.05% azide)                                                |
| Formulierung             | Liquid                                                                                  |

|                        |                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | MMP3                                                                                                                                                                                                                        |
| Application Verdünnung | Flow Cytometry (0.5-1 ug/million cells)Immunofluorescence (0.5-1 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.5-1 ug/mL)The optimal working dilution should be determined by the end user. |
