## Product Datasheet

### **PTPRC recombinant monoclonal antibody, clone PTPRC/2877R, Clone: [PTPRC/2877R], Monoclonal ABN-RAB08983**

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | PTPRC recombinant monoclonal antibody, clone PTPRC/2877R, Clone: [PTPRC/2877R], Monoclonal |
| Artikelnummer            | ABN-RAB08983                                                                               |
| Hersteller Artikelnummer | RAB08983                                                                                   |
| Alternativnummer         | ABN-RAB08983-20                                                                            |
| Hersteller               | Abnova                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | FC, IF, IHC-P, WB                                                                          |
| Spezies Reaktivität      | Human                                                                                      |
| Immunogen                | Recombinant protein corresponding to full-length human PTPRC.                              |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against full length human PTPRC....          |
| Klonalität               | Monoclonal                                                                                 |
| Klon-Bezeichnung         | [PTPRC/2877R]                                                                              |
| UniProt                  | 5788                                                                                       |
| Puffer                   | In 10 mM PBS (0.05% BSA and 0.05% azide)                                                   |
| Formulierung             | Liquid                                                                                     |
| Target-Kategorie         | PTPRC                                                                                      |

|                        |                                                                                                                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Flow Cytometry (1-2 ug/million cells)Immunohistochemistry<br>(Formalin/PFA-fixed paraffin-embedded sections) (1-2<br>ug/mL)Immunofluorescence (1-2 ug/mL)Western Blot (1-2 ug/mL)The<br>optimal working dilution should be determined by the end user. |
