## Product Datasheet

### **TFF1 recombinant monoclonal antibody, clone TFF1/2969R, Clone: [TFF1/2969R], Monoclonal ABN-RAB09005**

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Artikelname              | TFF1 recombinant monoclonal antibody, clone TFF1/2969R, Clone: [TFF1/2969R], Monoclonal |
| Artikelnummer            | ABN-RAB09005                                                                            |
| Hersteller Artikelnummer | RAB09005                                                                                |
| Alternativnummer         | ABN-RAB09005-20                                                                         |
| Hersteller               | Abnova                                                                                  |
| Kategorie                | Antikörper                                                                              |
| Applikation              | IHC-P                                                                                   |
| Spezies Reaktivität      | Human                                                                                   |
| Immunogen                | A synthetic peptide corresponding to amino acids 57-84 at C-terminus of human TFF1.     |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against partial human TFF1....            |
| Klonalität               | Monoclonal                                                                              |
| Klon-Bezeichnung         | [TFF1/2969R]                                                                            |
| UniProt                  | 7031                                                                                    |
| Puffer                   | In 10 mM PBS (0.05% BSA and 0.05% azide)                                                |
| Formulierung             | Liquid                                                                                  |

|                        |                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Sequenz                | CFDDTVRGVPWCFYPNTIDVPPEEECEF                                                                                                                       |
| Target-Kategorie       | TFF1                                                                                                                                               |
| Application Verdünnung | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1-2 ug/mL)The optimal working dilution should be determined by the end user. |
