## Product Datasheet

### **Cytokeratin recombinant monoclonal antibody, clone KRT/1877R, Clone: [KRT/1877R], Monoclonal ABN-RAB09055**

|                          |                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------|
| Artikelname              | Cytokeratin recombinant monoclonal antibody, clone KRT/1877R, Clone: [KRT/1877R], Monoclonal |
| Artikelnummer            | ABN-RAB09055                                                                                 |
| Hersteller Artikelnummer | RAB09055                                                                                     |
| Alternativnummer         | ABN-RAB09055-20                                                                              |
| Hersteller               | Abnova                                                                                       |
| Kategorie                | Antikörper                                                                                   |
| Applikation              | IF, IHC-P, WB                                                                                |
| Spezies Reaktivität      | Human                                                                                        |
| Immunogen                | Keratin-enriched preparation from cultured human epithelial cells.                           |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human Cytokeratin....                  |
| Klonalität               | Monoclonal                                                                                   |
| Klon-Bezeichnung         | [KRT/1877R]                                                                                  |
| UniProt                  | 3851, 286887, 3853, 3854, 3858, 3875, 3852, 3856, 3860                                       |
| Puffer                   | In 10 mM PBS (0.05% BSA and 0.05% azide)                                                     |
| Formulierung             | Liquid                                                                                       |
| Target-Kategorie         | KRT4                                                                                         |

|                        |                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Flow Cytometry (1-2 ug/million cells)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1-2 ug/mL)Immunofluorescence (1-2 ug/mL)Western Blot (1-2 ug/mL)The optimal working dilution should be determined by the end user. |
