## Product Datasheet

### **FUBP1 recombinant monoclonal antibody ABN-RAB09170**

|                          |                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------|
| Artikelname              | FUBP1 recombinant monoclonal antibody                                                     |
| Artikelnummer            | ABN-RAB09170                                                                              |
| Hersteller Artikelnummer | RAB09170                                                                                  |
| Alternativnummer         | ABN-RAB09170-50                                                                           |
| Hersteller               | Abnova                                                                                    |
| Kategorie                | Antikörper                                                                                |
| Applikation              | IF, IHC-P, WB                                                                             |
| Spezies Reaktivität      | Human                                                                                     |
| Immunogen                | Original antibody is raised against a synthetic peptide of human FUBP1.                   |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human FUBP1....                     |
| UniProt                  | 8880                                                                                      |
| Puffer                   | In 50mM Tris-Glycine, pH 7.4 (0.15M NaCl, 50% Glycerol, 0.01% Sodium azide and 0.05% BSA) |
| Formulierung             | Liquid                                                                                    |
| Target-Kategorie         | FUBP1                                                                                     |

|                        |                                                                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Immunocytochemistry (1:50-1:100)Immunofluorescence (1:50-1:100)Immunohistochemistry (1:50-1:100)Immunoprecipitation (1:10-1:50)Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end user. |
