## Product Datasheet

### **Histone H2B (acetyl K23) monoclonal antibody, clone RM260, Clone: [RM260], Monoclonal ABN-RAB09493**

|                          |                                                                                                                                |

| Artikelname              | Histone H2B (acetyl K23) monoclonal antibody, clone RM260, Clone: [RM260], Monoclonal                                          |
| Artikelnummer            | ABN-RAB09493                                                                                                                   |
| Hersteller Artikelnummer | RAB09493                                                                                                                       |
| Alternativnummer         | ABN-RAB09493-25                                                                                                                |
| Hersteller               | Abnova                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                     |
| Applikation              | ELISA, ICC, WB                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                          |
| Immunogen                | Original antibody is raised against a synthetic acetyl peptide corresponding to residues surrounding K23 of human Histone H2B. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against of human histone H2B (acetyl K23)....                                    |
| Klonalität               | Monoclonal                                                                                                                     |
| Klon-Bezeichnung         | [RM260]                                                                                                                        |
| UniProt                  | 3018                                                                                                                           |
| Puffer                   | In PBS (50% glycerol, 1% BSA, 0.09% sodium azide)                                                                              |
| Formulierung             | Liquid                                                                                                                         |

|                        |                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | HIST1H2BB                                                                                                                                                                 |
| Application Verdünnung | ELISA (0.2-1 ug/mL)Immunocytochemistry (0.5-2 ug/mL)Multiplex (0.1-0.5 ug/mL)Western Blot (0.5-2 ug/mL)The optimal working dilution should be determined by the end user. |
