## Product Datasheet

### **TATA-Box Binding Protein Associated Factor, RNA Polymerase I Subunit B (TAF1B) Antibody, Unconjugated, Rabbit, Polyclonal ABX321469**

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TATA-Box Binding Protein Associated Factor, RNA Polymerase I Subunit B (TAF1B) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX321469                                                                                                                 |
| Hersteller Artikelnummer | abx321469                                                                                                                 |
| Alternativnummer         | ABX321469-20UL, ABX321469-50UL, ABX321469-100UL, ABX321469-200UL, ABX321469-1ML                                           |
| Hersteller               | Abbexa                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ELISA, IHC, WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | Recombinant human TATA box-binding protein-associated factor RNA polymerase I subunit B protein (369-588AA).              |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                |
| NCBI                     | <a href="#">9014</a>                                                                                                      |
| UniProt                  | <a href="#">Q53T94</a>                                                                                                    |
| Puffer                   | PBS, pH 7.3, containing 0.02% sodium azide and 50% glycerol.                                                              |

|                  |                                                                                |
|------------------|--------------------------------------------------------------------------------|
| Formulierung     | Liquid                                                                         |
| Target-Kategorie | TATA-Box Binding Protein Associated Factor, RNA Polymerase I Subunit B (TAF1B) |
| Antibody Type    | Primary Antibody                                                               |
