## Product Datasheet

### **StAR Related Lipid Transfer Domain Containing 3 (STARD3) Antibody, Unconjugated, Rabbit, Polyclonal ABX321646**

|                          |                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------|
| Artikelname              | StAR Related Lipid Transfer Domain Containing 3 (STARD3) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX321646                                                                                           |
| Hersteller Artikelnummer | abx321646                                                                                           |
| Alternativnummer         | ABX321646-20UL, ABX321646-50UL, ABX321646-100UL, ABX321646-200UL, ABX321646-1ML                     |
| Hersteller               | Abbexa                                                                                              |
| Wirt                     | Rabbit                                                                                              |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | ELISA, IHC, WB                                                                                      |
| Spezies Reaktivität      | Human                                                                                               |
| Immunogen                | Recombinant human StAR-related lipid transfer protein 3 protein (170-445AA).                        |
| Konjugation              | Unconjugated                                                                                        |
| Klonalität               | Polyclonal                                                                                          |
| NCBI                     | <a href="#">10948</a>                                                                               |
| UniProt                  | <a href="#">Q14849</a>                                                                              |
| Puffer                   | PBS, pH 7.3, containing 0.02% sodium azide and 50% glycerol.                                        |

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Formulierung     | Liquid                                                   |
| Target-Kategorie | StAR Related Lipid Transfer Domain Containing 3 (STARD3) |
| Antibody Type    | Primary Antibody                                         |
