## Product Datasheet

### **SH3 Domain Containing Ring Finger 3 (SH3RF3) Antibody, Unconjugated, Rabbit, Polyclonal ABX325568**

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Artikelname              | SH3 Domain Containing Ring Finger 3 (SH3RF3) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX325568                                                                               |
| Hersteller Artikelnummer | abx325568                                                                               |
| Alternativnummer         | ABX325568-50UG, ABX325568-100UG                                                         |
| Hersteller               | Abbexa                                                                                  |
| Wirt                     | Rabbit                                                                                  |
| Kategorie                | Antikörper                                                                              |
| Applikation              | ELISA, WB                                                                               |
| Spezies Reaktivität      | Human, Mouse                                                                            |
| Immunogen                | Synthesized peptide derived from the C-terminal region of human SH3RF3.                 |
| Konjugation              | Unconjugated                                                                            |
| Klonalität               | Polyclonal                                                                              |
| NCBI                     | <a href="#">344558</a>                                                                  |
| UniProt                  | <a href="#">Q8TEJ3</a>                                                                  |
| Puffer                   | PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                           |
| Formulierung             | Liquid                                                                                  |

|                  |                                              |
|------------------|----------------------------------------------|
| Target-Kategorie | SH3 Domain Containing Ring Finger 3 (SH3RF3) |
| Antibody Type    | Primary Antibody                             |
