## Product Datasheet

### **Histone Cluster 1 H1 Family Member C (HIST1H1C) Antibody, Unconjugated, Rabbit, Polyclonal ABX002347**

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Artikelname              | Histone Cluster 1 H1 Family Member C (HIST1H1C) Antibody, Unconjugated, Rabbit, Polyclonal    |
| Artikelnummer            | ABX002347                                                                                     |
| Hersteller Artikelnummer | abx002347                                                                                     |
| Alternativnummer         | ABX002347-20UL, ABX002347-100UL, ABX002347-2X100UL                                            |
| Hersteller               | Abbexa                                                                                        |
| Wirt                     | Rabbit                                                                                        |
| Kategorie                | Antikörper                                                                                    |
| Applikation              | IF, IHC, WB                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                             |
| Immunogen                | A synthetic peptide corresponding to a sequence within amino acids 100-200 of human HIST1H1C. |
| Konjugation              | Unconjugated                                                                                  |
| Klonalität               | Polyclonal                                                                                    |
| Konzentration            | > 0.2 mg/ml                                                                                   |
| Molekulargewicht         | Calculated MW: 21 kDa                                                                         |
| NCBI                     | <a href="#">3006</a>                                                                          |
| UniProt                  | <a href="#">P16403</a>                                                                        |

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.05% Proclin-300, 50% glycerol. |
| Formulierung     | Liquid                                                   |
| Target-Kategorie | Histone Cluster 1 H1 Family Member C (HIST1H1C)          |
| Antibody Type    | Primary Antibody                                         |
