## Product Datasheet

### Eukaryotic Translation Initiation Factor 1A Domain Containing (EIF1AD) Antibody, Unconjugated, Rabbit, Polyclonal ABX002539

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Eukaryotic Translation Initiation Factor 1A Domain Containing (EIF1AD) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX002539                                                                                                         |
| Hersteller Artikelnummer | abx002539                                                                                                         |
| Alternativnummer         | ABX002539-20UL, ABX002539-100UL, ABX002539-2X100UL                                                                |
| Hersteller               | Abbexa                                                                                                            |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | IHC, WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                             |
| Immunogen                | Synthetic peptide corresponding to EIF1AD. The exact sequence is proprietary.                                     |
| Konjugation              | Unconjugated                                                                                                      |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | > 0.2 mg/ml                                                                                                       |
| Molekulargewicht         | Calculated MW: 49 kDa Observed MW: 49 kDa                                                                         |
| NCBI                     | <a href="#">84285</a>                                                                                             |
| UniProt                  | <a href="#">Q8N9N8</a>                                                                                            |

|                  |                                                                        |
|------------------|------------------------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.02% sodium azide, 0.05% BSA, 50% glycerol.   |
| Formulierung     | Liquid                                                                 |
| Target-Kategorie | Eukaryotic Translation Initiation Factor 1A Domain Containing (EIF1AD) |
| Antibody Type    | Primary Antibody                                                       |
