| Artikelname              | Solute Carrier Organic Anion Transporter Family Member 1A2 (SLCO1A2) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX006158                                                                                                       |
| Hersteller Artikelnummer | abx006158                                                                                                       |
| Alternativnummer         | ABX006158-20UL, ABX006158-100UL, ABX006158-2X100UL                                                              |
| Hersteller               | Abbexa                                                                                                          |
| Wirt                     | Rabbit                                                                                                          |
| Kategorie                | Antikörper                                                                                                      |
| Applikation              | ELISA, WB                                                                                                       |
| Spezies Reaktivität      | Rat                                                                                                             |
| Immunogen                | Synthetic peptide corresponding to SLCO1A2. The exact sequence is proprietary.                                  |
| Konjugation              | Unconjugated                                                                                                    |
| Klonalität               | Polyclonal                                                                                                      |
| Konzentration            | 2.19 mg/ml                                                                                                      |
| Molekulargewicht         | Calculated MW: 74 kDa Observed MW: 74 kDa                                                                       |
| NCBI                     | <a href="#">6579</a>                                                                                            |
| UniProt                  | <a href="#">P46721</a>                                                                                          |

|                  |                                                                      |
|------------------|----------------------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.01% thimerosal, 50% glycerol.              |
| Formulierung     | Liquid                                                               |
| Target-Kategorie | Solute Carrier Organic Anion Transporter Family Member 1A2 (SLCO1A2) |
| Antibody Type    | Primary Antibody                                                     |
